Glint//06

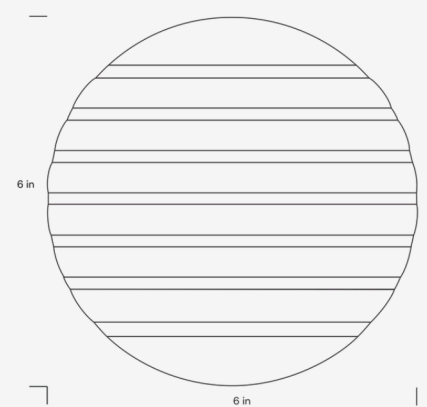

About Piece

Hand molded in all brass. The surface of this product is expected to have a textured finish and irregularity in the curves due to the handmade process. These slight variations make each product unique and this is something we celebrate. The material is left unpolished in its raw form to age gracefully revealing a distinct patina effect over time. However, to get the original 'glint' back follow simple cleaning steps from our care guide. in all brass.

Uses Trivet, Desk organiser, Trinket tray, Palo Santo Stand
